We, the senior class of Brunswick High School, hereby dedicate the "DRAGON" to Mr. Jewett with our sincere appreciation for all that he has done for our class and the school. The success of such activities as Snogard, Radio Club, and our school dances is largely due to his efforts. Mr. Jewett's help and friendship will long be remembered by our class, and because of this, we wish to dedicate this publication of the yearbook to him.

The Senior Class would like to express its appreciation to the school board for its work and devotion in keeping Brunswick High School the wonderful school that it is.

MR. JESSE DELOIS

To The Class of 1965:

Congratulations. This has been Your Year! The year of decision.

Many of you have decided to further your education, some to serve in the Armed Forces of our Great Country, while some have chosen to live and work in Brunswick or elsewhere. Whatever the choice, we sincerely wish you a most successful and happy future.

Please come back to visit us!

MR. JOHN CALDWELL

To the class of 1965, I offer my heartiest congratulations. Being the largest class to graduate from Brunswick High, you are also burdened with the greatest amount of responsibility. You face hard and often bitter competition in every phase of your future. Whether it be college placement, career fulfillment, or job training, you will find a tremendous amount of stiff competition. You leave all but a taste of this competition here at Brunswick. In the years to come I hope you will fondly recall your Alma Mater and benefit from the training you received here. Good Luck!

We are Seniors, and we are leaving. Leaving the school in which we have spent the last four years. Leaving the place in which we grew from a child to an adult. Since we are leaving, it is only natural that we glance back at what has gone before.

It was early in the morning when we came to Brunswick High School for the first time. The sun shone down on the open door through which we would pass for the first time. Yet beyond this door, where the sun did not penetrate, was the darkness of the unknown. But as Freshmen, we plunged on, not a little afraid. This first year flew by quickly, as we took stock of our surroundings, met new friends, and started our trek through high school.

Then came the never to be forgotten Sophomore year. "Wise Fools" indeed! Who needed to be wise? Everything was wild and exciting. For the first time we burst out in our new found strength. And so we rolicked through our second year at BHS, but it too went quickly.

Our Junior year, as is natural, was slower and calmer. We all had learned a great deal in the previous year and were finally settling down. Maybe it was the fact we were "upperclassmen" or maybe it was simply the sober thought of what we are going to do with ourselves in the future. In any event, our third year slipped by quietly.

Then finally, the greatest year of all. We returned in the fall to find ourselves Seniors! We sat on the top of the school and its organizations. Yet, this year has gone faster than any of the others. Our memories of it are blurred into one mad kaleidoscope of happenings, and we are far from being done. Before us lies Class Night, the Senior Ball, and most of all, Graduation.

Yes, we are leaving. We're going through that door we entered four years ago. But it is evening now. Behind us, the school which we know so well is brightly lighted, beyond lies the darkness of the night. In this darkness is the uncertain future; but we readily go out, leaving the familiar behind, go out into the darkness, knowing the dawn is soon to come.

Frankie

"FRANKIE"

This year has been a milestone for Brunswick High School's Exchange Program. For the first time, the Affiliation Club was able to send two of our fellow students, Linda Millay and Steve Black, to Lubeck, Germany. Also, for the first time in the history of the exchange program, we have an exchange student from Rochefort, France, Francoise Craipain, who is studying with the Senior class.

Shy by Nature, "Frankie" has come a long way in overcoming this trait; the biggest step was to become an Exchange Student. She takes her obligations as an exchange student seriously. Her main reason for wanting to come to America was not only to gain an understanding of American culture and to give up some understanding of French culture; but also, as she has put it, to help "build bridges" by bringing France and America closer together.

But, along with Frankie's serious nature, she has a light side also. Although previously unfamiliar with our school sports, she has become a loyal fan. Since there are no school sports in her school, she was at first unused to the cheering and excitement of football and other Brunswick High Sports. However she soon learned the cheers well enough to yell with the crowd.

Besides school and sports events, Frankie enjoys camping and mountain climbing. Even though she can climb up a mountain quickly while most people are asking for rest, she has often found it hard to keep up with the fast pace of American life. She is learning and, we in turn, thank her for all she has taught us.

THE AFFILIATION CLUB

The main goal of the Affiliation Club is to help establish better human relations between the countries and peoples of the world. It works toward this goal through two affiliations, one with Lubeck, Germany and another with Rochefort, France. Artwork, school newspapers, tapes and pen pals names have been exchanged between our club and those in Germany and France and an exchange student, Francoise Craipain is currently attending B. H. S. while two students from this school are in Germany. Also, the club, under the auspices of the American Friends Service Committee has sent several students to seminars and institutes sponsored by the A. F. S. C. This year, in order to finance these activities, the club has held a candy sale, a supper, and a dance. The club also sponsors a booth at Snogard and a Foreign Exchange Student Day in March.

THE BIOLOGY CLUB

The term Biology in the club's name clearly expresses its significance and purpose. Today, Biology--the science of plant and animal life--is expanding rapidly. Everyday a new and different phase is discovered, and the purpose of the Biology Club is to keep in touch with this rapidly growing Science. This is done through field trips to such places as Swan Island and the Bird Banding Station, through affiliations such as "Things of Science" whereby once a month the Club receives an experiment to perform and the Science Newsletter, through guest speakers on various careers, and through student projects.

For the first time, the club will offer a scholarship of \$100.00. This scholarship will be awarded to a graduating Senior, that has shown outstanding work and interest in the fields of Science and who is going to continue his education in a field of Biology.

CHORUS

This year the B.H.S. chorus, numbering fifty-five members, presented several concerts under the direction of Mr. Googins. Here at B.H.S. they presented concerts during the Christmas season, the Snogard Festival in March, and participated in the Broadway Musical "Down in the Valley." They held an exchange concert with Lewiston High School, and presented a concert at Gorham State Teachers' College.

Besides concerts and trips, the chorus offers all students at B.H.S. a chance to put their vocal talents to good use.

DRAGON'S TALE EDITORIAL BOARD

Mr. Hart, N. Ellis, Mrs. Sherlock, J. Dionne, C. Mott, T. Simonson, T. Gustafson, E. Parsons, D. Mathurin.

DEBATING CLUB

A. Mott, B. Wainer (President), K. Monahan (Sec.), J. Kinley, Mr. Hart, J. Tierney, B. Mott, R. Weir, S. Thing.

THE DEBATING CLUB

The Debating Club is the only existing school sponsored organization where arguments are always encouraged. This year the area of mutual disagreement was whether or not nuclear weapons should be controlled by an international organization. Not only did the debaters argue about this topic among themselves; but also, every once in a while, they traveled around the state, looking for other high school students to start an argument with. However, due to budget limitations (no budget at all) and due to the temporary breakup of the Cumberland County Debating League, the B.H.S. Debating Club was quite limited (unfortunately) in its good will and peace on earth spreading activities this school year.

FIRST ROW: K. Rogers, D. Waldon, P. Dumais, Mr. Wetherell, E. Racine, M. Serabia, P. Blackstone, M. Pickett. SECOND ROW: C. Jaques, K. Silvius, B. Moffett, J. A. Rush, B. Dietchman, B. Lacy, L. Moody. THIRD ROW: E. Pinkham, L. Middlebrook, S. Dumais, S. Simonson, G. Borders, A. Webster, S. Heath, J. Tierney.

DRAMATICS CLUB

The Dramatics Club this year is being advised by Mr. Weatherall and Mr. Carroll. The officers of the club are: President, Bill Dunning; Vice-President, Eva Racine; Secretary-Treasurer, Peggy Dumais. Mr. Weatherall directed "Too Many Moons" and two more plays in the spring as well as the senior class play. Mr. Carroll directs the one act contest play, "A Balcony Scene". A musical one act was produced by the D. C. in conjunction with the chorus during Snogard.

FUTURE HOMEMAKERS OF AMERICA

The F. H. A. The Future Homemakers of America, has over 447,292 members located in the United States, Puerto Rico, Virgin Islands, and Guam.

The main activities that the F. H. A. held in the years 1964-1965 are: Christmas Caroling, Queen of Hearts Dance, Snogard, Bake Sale, and Banquet.

The F. H. A. motto is "Toward New Horizons"--and the purpose is to give interested students the chance to carry out activities for the making of better home and community life for all.

RED CROSS

Brunswick High School Chapter of Red Cross is a service club under the advice of the Brunswick Red Cross Council. Mrs. Doris Bueter is advisor to all school Red Cross work; Mrs. Rollins is advisor to Brunswick High School Chapter of Red Cross.

Services include making favors (candy and nuts), games, cross-word puzzles, and other interests for Veteran hospitals and naval air station infirmary, helping at hospitals, aiding the Red Cross swimming program, contributing to the International Children Funds and sending articles to needy high school students in foreign countries.

The club is open to all students who are willing to work. At present the number of members is sixty.

KEY CLUB

Being an international service organization, the Key Club strives to teach its members responsibility and leadership in school and community activities. Membership is restricted to boys in the upper three classes with one basic requirement--a willingness to work and uphold club standards. During the past year the club held a dance, light bulb sale, book cover sale, and were in charge of the coffee concession during night school. Much of the profits netted from these activities were contributed to the Student Aid Fund. In the community the club participated in the March of Dimes campaign, distributing and collecting canisters.

LATIN CLUB

The Latin Club, formed this year, is affiliated with The National Organization, The Junior Classical League. Through slides, lectures, individual and group projects, the club tries to encourage an interest and an appreciation of Greek and Roman civilizations and to develop some understanding of how much our culture owes these ancient civilizations.

The main activities of the club this year were viewing slides at Bowdoin, giving a play within the club, and keeping lectures on Roman civilizations. The club has been invited to attend an annual state convention at University of Maine in Orono.

NATIONAL HONOR SOCIETY

The objectives of the Hawthorne Chapter of the National Honor Society are "to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of Brunswick High School." Members are chosen from the top 15% of the senior class and top 5% of the junior class. They are expected to maintain their high standards and set the pace for future members. The Society's activities are an annual dance to raise funds for the initiation ceremony of new members and a booth at Snogard.

FIRST ROW: N. Ellis, M. Hester, T. Gustafson, Miss Jarvis, E. Parsons, M. Oaks, F. Farley. SECOND ROW: A. Mott, I. Theberge, M. Saindon, S. Terrel, J. Driscoll, D. Huehes. THIRD ROW: K. Monahan, J. ORBLA

1964-65 was the best and most active year for the ORBLA in some time. Changes in format livened up the paper considerably, and the editors and staff spent much time trying to improve news and features writing. Sports writing, long neglected part of the newspaper was given a new slant, moved the fourth page, and accompanied by action photos. For the first time in several years, the staff put out eight issues this year.

A partial reorganization of the Editorial Board made this body more effective, and the addition of a Managing Editor to supervise the actual printing of the paper relieved the Editor-in-Chief of many petty but troublesome chores. The members of the Editorial Board were hard working as always, and the staff in general, somewhat larger this year though quite small, took a very active part in the production of the paper, and laid the groundwork for a proposed expansion to six pages.

SCIENTIFIC SOCIETY

The Scientific Society, like the National Honor Society, is primarily an honorary organization. Members are invited on the basis of excellence in science and mathematics, in either their junior or senior years. The Society aims to encourage academic excellence, particularly in science and mathematics, and the spread of interest in these areas. Aside from its position as an honorary society, the Scientific Society performs certain services for the school. Among these are the daily weather reports that appear throughout the school and supplying the chemistry labs with lab aprons, as well as the Society's traditional tick-tack-toe booth at Snogard.

SKI CLUB

The Ski Club has enjoyed a constantly increasing membership of beginners to expert skiers. The club exists so that those students, who otherwise would not get the chance, may go to various ski areas in Maine. We are very interested in giving students, who want a chance to start skiing. We specialize in having a good time.

STUDENT COUNCIL

The Student Council is the representative student government at Brunswick High School. This year, the council has been more active than at any other time in school. During the course of the year, the council has sponsored Park-In-Ja, formed the organization for SNOGARD, earned money for a scoreboard, sold refreshments at all activities, and for the first time, will give a scholarship to some deserving SENIOR.

Many reforms have also been made within the council as the Constitution, was revised to insure a larger, more active membership. Due to the outstanding work of David Livernois, President, the meetings were much smoother than ever before. In summary, the Student Council has definitely fulfilled its purpose: "To act as a bason body between the opinions of the students and the faculty, to promote the general welfare of Brunswick High School, and to extend the principles of self-government and democracy within the school."

FIRST ROW: L. Rowley, M. Pickett, L. Churchill, M. Lavigne, P. Denmark, S. Brawn, L. Lapham. SECOND ROW: D. Swain, R. Knight, L. Connors, B. Baldwin, J. Pickett, N. Brawn. THIRD ROW: K. Warming, R. AMICITIA TRI-HI-Y

Amicitia Tri-Hi-Y has participated in many community projects as well as projects in the school. We have entertained at Christmas and on Valentine's Day at the Riverview Home and at the Bath Military Home for children. Each month a group of girls go to the Riverview Home to entertain for an afternoon.

We have helped with dances and with the United Fund at school. We are also planning for a joint educational meeting and for Snogard.

Amicitia Tri-Hi-Y is proved to be recognized as an Advanced Club. We are now striving for a still higher goal--to become a Superior club.

We are all very grateful to Mrs. Therberg for her help this year as our advisor.

BETA TRI-HI-Y

Beta Tau Upsilon is noted as one of the oldest Tri-Hi-Y Chapters in the state. The chapter has participated in various activities this year to live up to the Tri-Hi-Y purpose. The school has rewarded Beta during previous years as well as the present for erecting the school Christmas tree during the holiday season. Its other activities during the year include selling refreshments during basketball games, attending conferences, also, it had the honor of having a fellow member hold a Southern District office, making leis for Snogard, distributing gifts and singing carols at Old Folks homes during the Yule season, a Thanksgiving project, a successful fashion show for Davis, arranging the recreational program for the combined chapters, also, donating money to the various fund drives throughout the year.

Beta Chapter is very grateful to our new advisor, Mrs. Congdon, and our former advisor, Mrs. Lamarre. We have worked very hard together and wish to thank them for all the work they have done for us.

DELTA TRI-HI-Y

Delta Delta Epsilon is the largest Chapter of Brunswick Tri-Hi-Y consisting of fifty members this year. We have given a Thanksgiving basket to a needy family, and one at Christmas. We gave clothes and money to another family. We collected for the March of Dimes and intend to collect for the Cancer Fund. We, also, have a puppet show for children every year in or near May with the money made going to a needy cause.

BHS VARSITY FOOTBALL

The 1964 varsity football squad enjoyed one of the finest gridiron campaigns in many seasons at BHS. Under the expert guidance of Coach Warren "Baron" Pearl, the Dragons compiled an 8-1 mark, including a 48-6 trouncing of arch rival Morse. Only a late-season loss to Madison prevented Brunswick from capturing its second-straight Class B championship.

An unusually large number of players on the team were seniors. Included in this group were co-captains Dick McKenny and Joe Dane, Bill Peacock, Sandy Nesbitt, Scott McGowan, Gene Mitchell, Doug Rollins, Dwight Pensiero, Norm Pruell, Mark Bisgrove, Bill Barrett, John Lowry, Norm Michaud, Doug Taylor, Dennis Beaudoin, Bart Flanagan, Jack Boniface, and Dan Fortin.

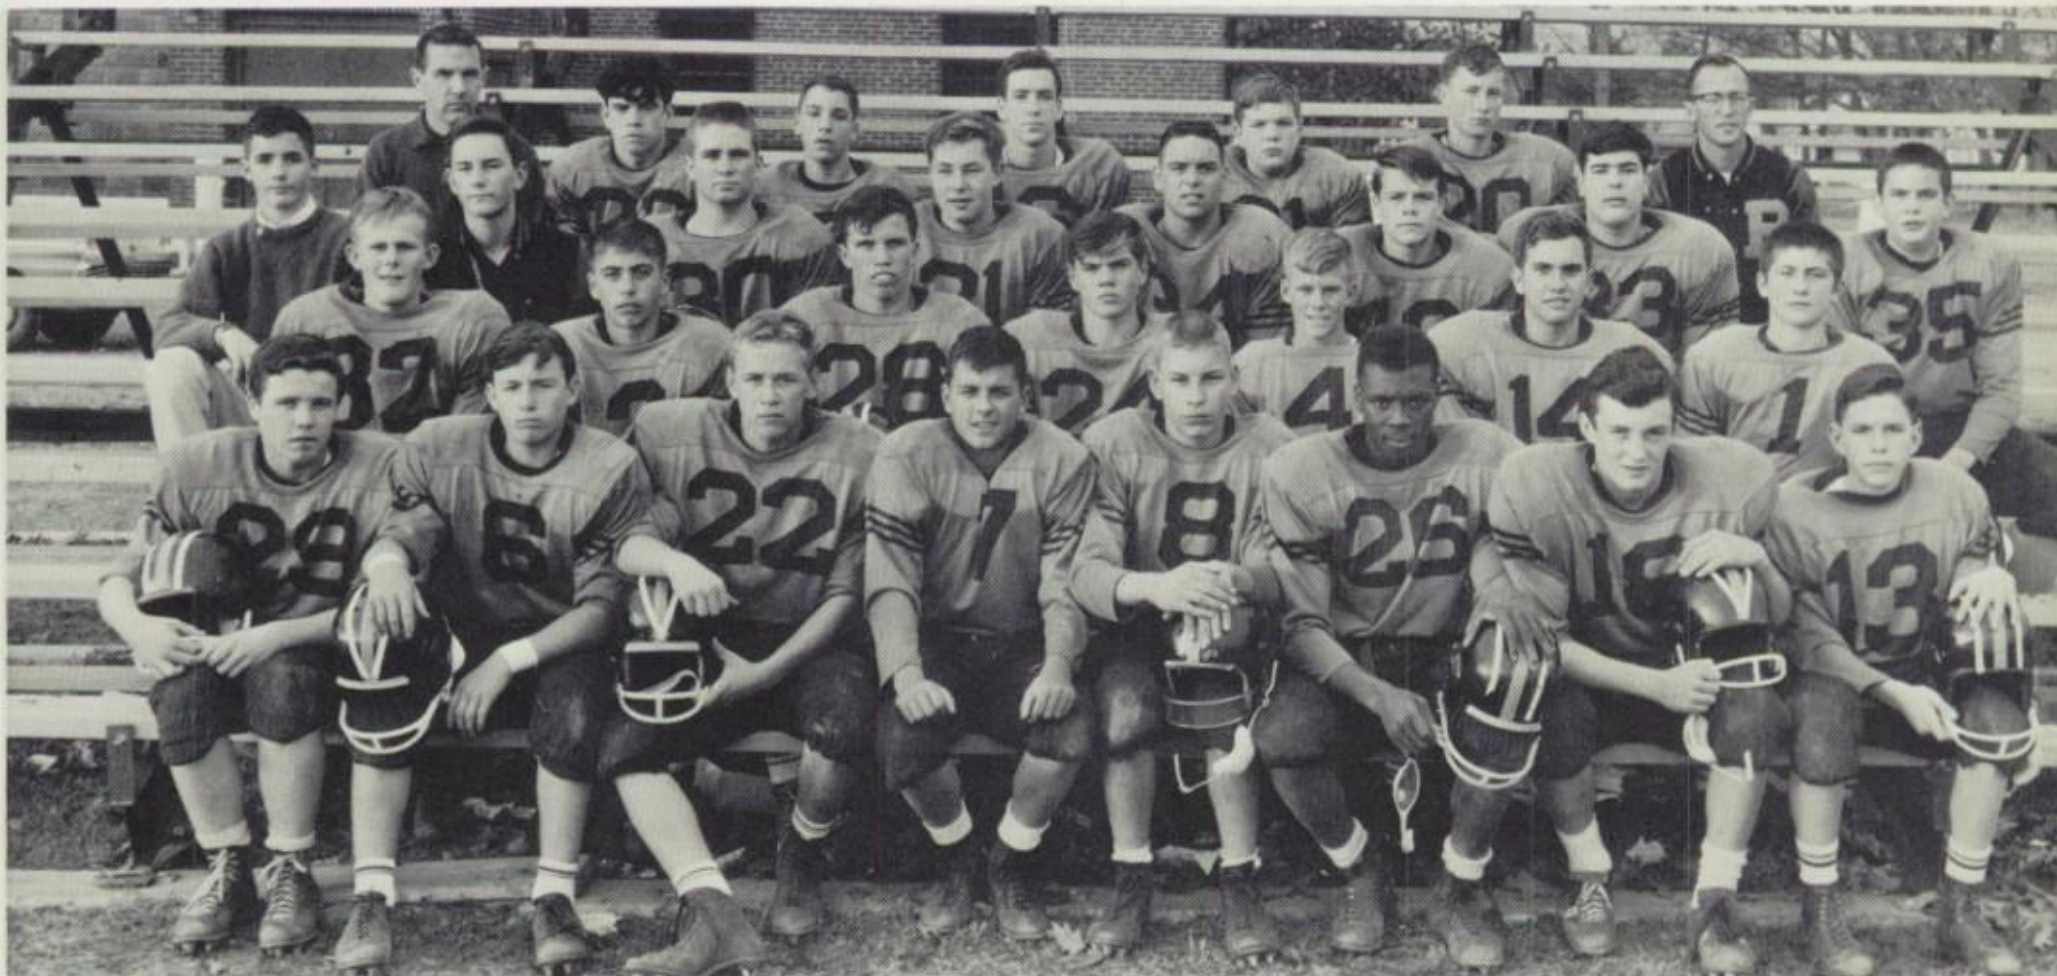

Last year marked the Dragons' final season of Class B competition--this fall Brunswick jumps to a Class A ranking.

VARSITY BASKETBALL

FIRST ROW: Louis Dye, Sandy Nesbitt, Roger Gagnon, Barry Venturoni, Dick Gallant, Steve Richardson. SECOND ROW: Coach Billings, Dwight Pensiero, Frank Yanok, Dave Vassar, Romeo Marquis, Bob LeGendre, Jack Boniface, Pete Bachrach.

Brunswick High's Dragons ended the 1964-65 basketball season successfully with a much improved 9-11 record. Six in ten games at home gave the Dragons their best record in five years.

Despite the loss of six players due to graduation, Coach Gene Billing is looking forward to a good season next year. Departing seniors are Jack Boniface, Joe Bruening, Sandy Nesbitt, Dwight Pensiero, Steve Richardson, and Barry Venturoni. The returning juniors are Pete Bachrach, Louie Dye, Roger Gagnon, Dick Galland, Bob Le Gendre, Romeo Marquis, Dave Vasser, and Frank Yanok.

The scoring was well balanced with Boniface, Le Gendre, and Gagnon all averaging in or nearly in double figures. Vassar and Nesbitt followed closely in the well rounded tally with Bachrach, Dye, Yanok, Marquis, Gallant and Venturoni following.

Opening the season rather slowly with two quick losses, the Dragons played .500 ball the rest of the way. Highlights of the campaign were victories over Westbrook, Portland, Morse, and Edward Little. After defeating Portland 55-54 in an exciting contest, the Dragons upset Edward Little 69-68. Later in the season against tournament bound Westbrook, a capacity crowd watched the Dragons jump to a quick lead and hold for a 76-63 upset, knocking the Blazers out of third place.

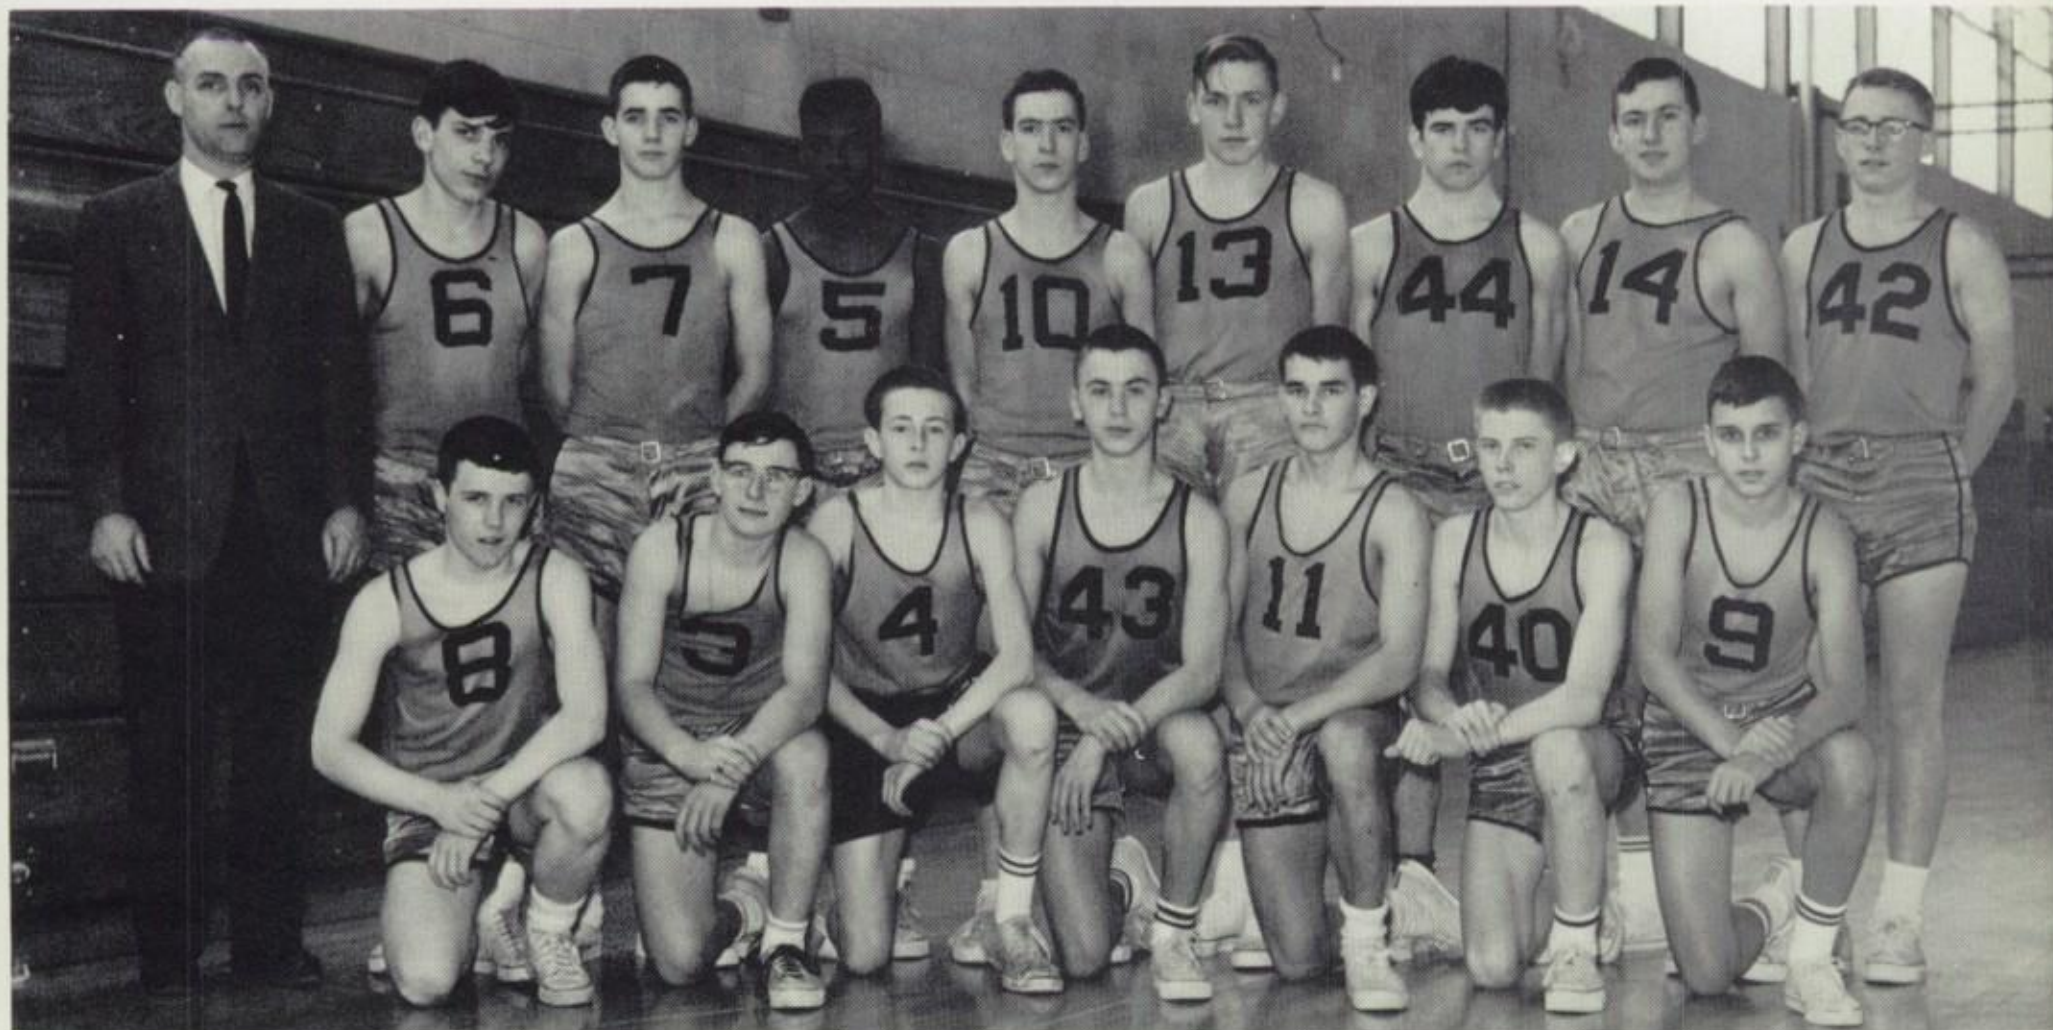

Brunswick also defeated rival Morse High twice. It was the first time a Brunswick basketball team had beaten Morse since 1957.

BHS VARSITY HOCKEY

Brunswick High's hockey team concluded its initial season of varsity hockey competition on a promising note by winning three of its last four games after waiting eleven games for its victory.

The Dragons' outstanding achievement by far was their 2-1 triumph over Lewiston, a team that later went on to the state schoolboy hockey championships. That win enabled the pucksters to finish in fifth place in final league standings.

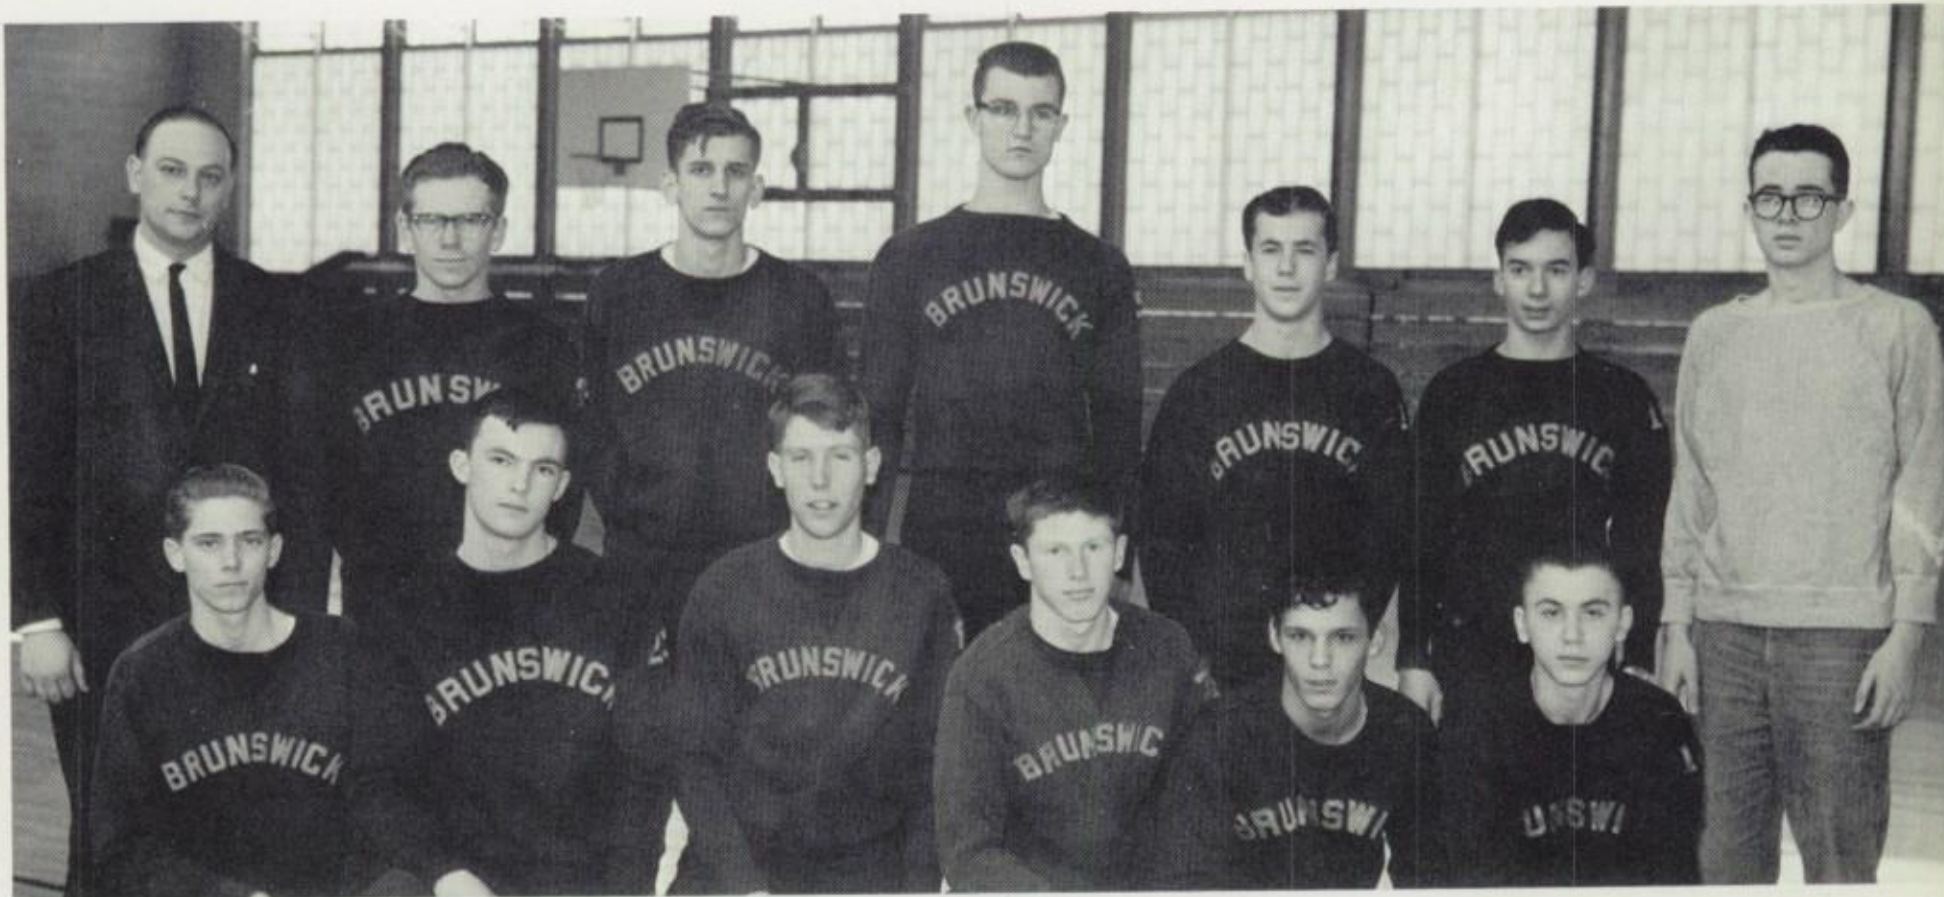

The outlook for next season is not the best since Joe Dane, John Poulin, Gerry Healey-Ogden, and Ken Handley--all starters for Coach Roland Lallier this season--are seniors, but with a year of varsity experience under their belts, the returnees hope to improve on a 3-11 record.

BASEBALL—1964

The Brunswick baseball team ended the 1964 season with a 3-11 record. It was a difficult season for the boys due to the loss of many good players.

Graduated lettermen are Carl Bruening, Lanny Davis, Glen Methrall, and Allan Irish.

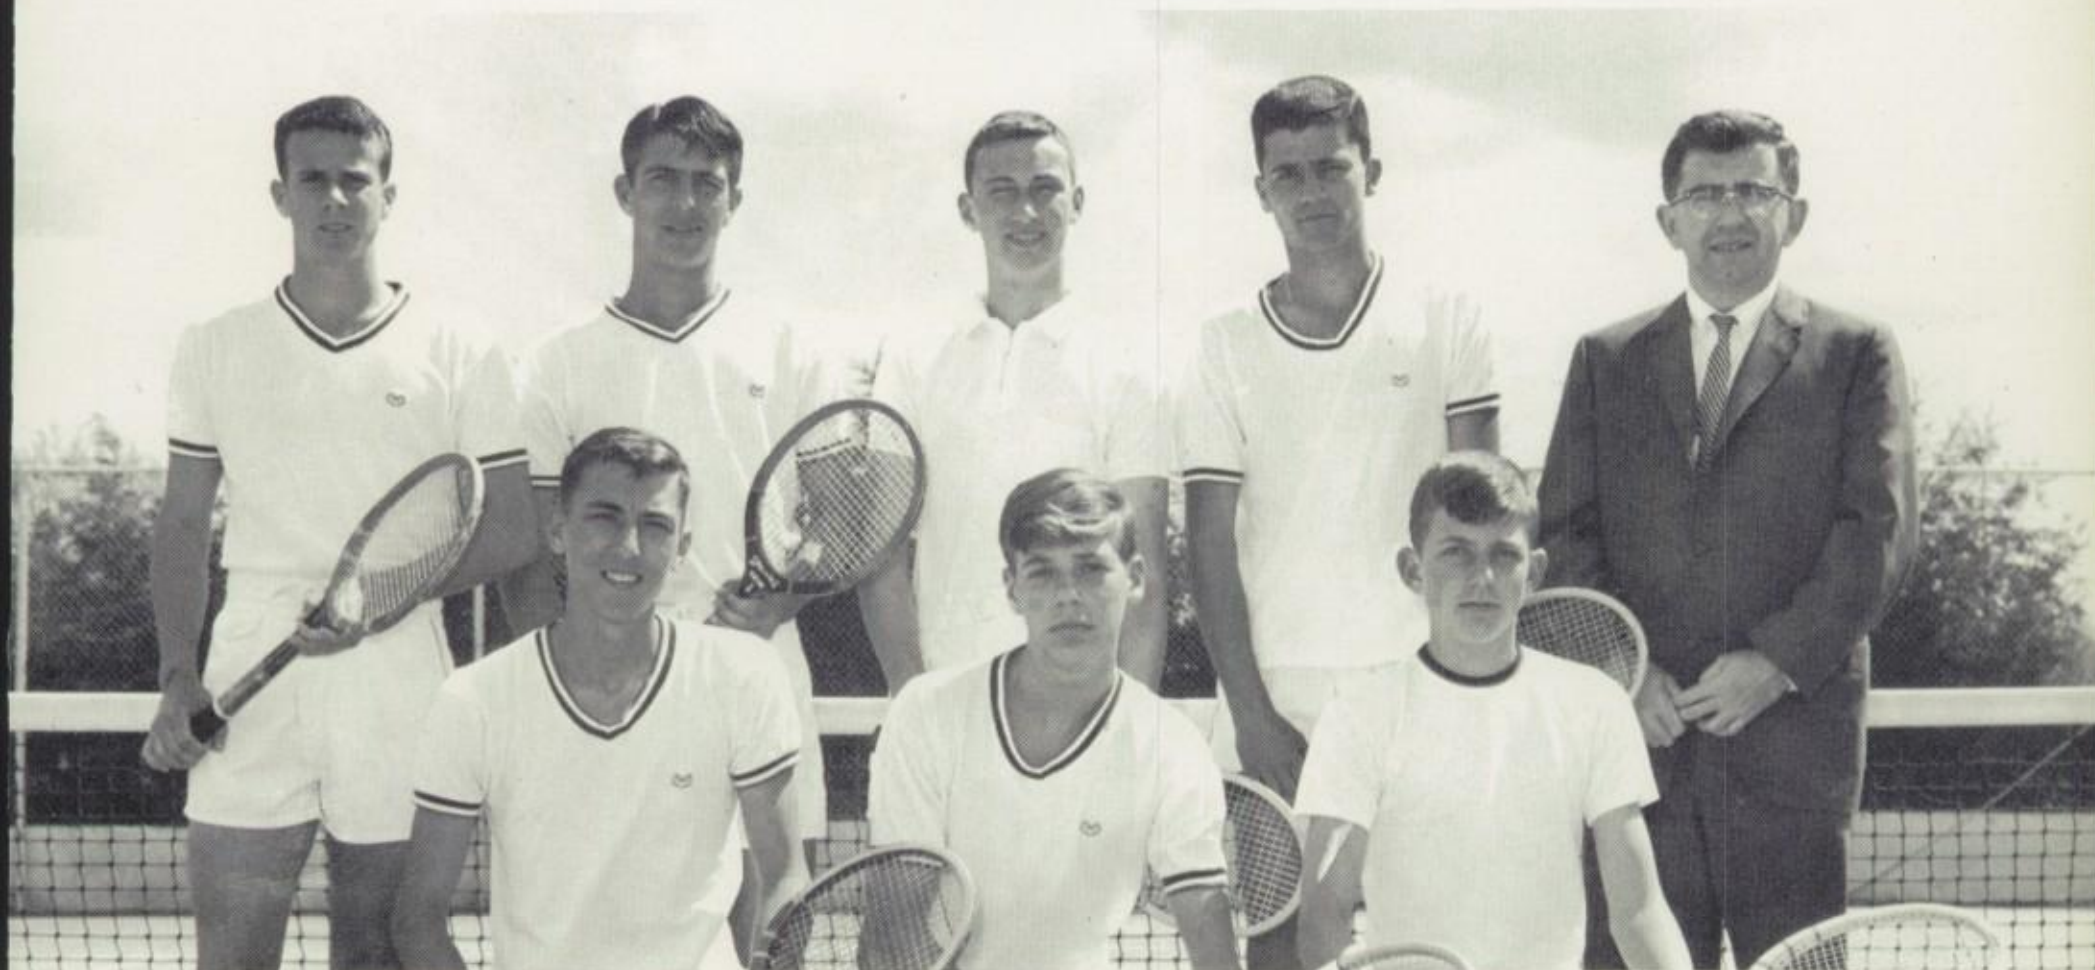

With many returning lettermen on this year's squad, Coach St. Pierre is sure of a better season in '65'.
